There You Go

## EDUCATION

**University of Twente** 2019 – present  
BSc Technical Computer Science to graduate February 2025

- Board year 2021 - 2022, Treasurer for Ice Hockey association.

**Delft University of Technology** 2018 – 2019  
BSc Applied Physics Left 1st year

- First experience programming, ultimately being the reason I switched to Computer Science.

**Hooghe Landt College Amersfoort** 2013 – 2017  
VWO - Technasium Graduated

- U-Talent program at Utrecht University.
- grad project: mathematical modeling of nano particle arrangement under magnetic fields  
*dr. A. V. Petukhov, L. Rossi and B. Verleghe-Snel, Utrecht University*

## EXPERIENCE

**Programming projects** 2019 – 2023

Applying knowledge from the CS program

- C-like language compiler — **Haskell**
- extending an existing full-stack Conference management system.  
**Requirement analysis + FastAPI + React + MongoDB**
- Full-stack webapp: student management  
mainly database (**Postgres**) & backend (**Java**)
- Accelerometer based sleep tracker — **Python** on Raspberry Pi
- Bicycle speedometer — **Rust** on Raspberry Pi  
both taught me software-sensor interactions
- RGB-jacket — no-code WLED deployment

**Part-time translations EN → NL and RU → NL** 2018 – 2021  
OpenProvider, Interior Sketch

- It was a great learning experience **working independently**

**Retail Clerk** 2016 – 2018

Party supplies store Amersfoort

- This job helped me break out of my shell socially, and to understand and **communicate with customers**

**Founding band member** 2016 – present

There You Go

- designing merchandise and delivering files to manufacturer specification  
Adobe Photoshop, Illustrator
- album releases in 2020 and scheduled for 2024
- Popronde 2023

## SKILLS
